

The Only Beverage Insulator with Suction Cups!

The Octopus Suction Coolie® (OSC100) is the only beverage insulator with suction cups to hold your drink in place. It's great for boating, fishing, camping, RV's, ATV's, patio furniture, indoor furniture, hot tubs or any other non-porous surface. The OSC100 is outfitted with eight small suction cups on the bottom surface, dual wall insulation and a pocket of air to keep the elements away and your beverage icy cold.
